

Primary School PE and School Sport Funding 2015 - 2017

Oakham C of E Primary School

The Parks School

London 2012 gave Britain a once in a lifetime opportunity to inspire a generation to enjoy sport and the Government wants to embed that into the school day from an early age. The new PE & sport funding aims to improve the quality of provision in every primary school in England. This includes:

- a) A lump sum of £8,000 for each school, with a £5 per-pupil top-up.
- b) Ring-fenced funding - only to be spent on PE and sport it will go directly to schools who will decide what is best for their children's needs.
- c) Tougher assessment of PE and sport provision via Ofsted to ensure the funding is bringing the maximum benefit for all pupils, with schools held to account for.
- d) Funding has been committed until 2020, but not necessarily in the same format.

Funding Allocation

The amount of Pupil Premium funding for 2015 – 2017 for Oakham CofE is **£18,990**. The Parks School received **£0**. This funding is then budgeted for the following approximate costing:

- Staff CPD - £10000
- Sport participation - £1500
- Additional Provision - £4000
- Transport - £1500
- Resources - £1700

A cricket coach has been booked to do an after school session in Term 6 for staff. This will hopefully build the confidence of staff to try and teach lessons in a new and exciting way rather than repeat what they have done previously.

A large PE order was placed after staff cleared old and faulty equipment from the PE cupboards. New and extra equipment bought for teachers to use during lessons and at after school clubs. This will have an impact on lesson structure and hopefully the chn's skills will improve with the use of new and suitable equipment. Teachers will be able to teach whole classes at once and not keep others
